FOLLOW UP ACTION TAKEN AS PER RESOLUTIONS MADE
IN THE IQAC MEETING HELD ON 07/07/2016

1. The theory and lab classes are conducted as per BPUT norms. Tutorial classes are added in the time table so that students will be able to clarify their doubts in the college itself. Assignments are given to the students and copies are checked by faculty members with remarks and returned to the students. The marks of the class tests conducted by the college as well as the percentage of attendance are intimated to the parents of the concerned students through SMS.
2. Faculty development programmes are arranged from time to time and the training department has contacted eminent resource persons and organized Faculty Development Programmes.
3. The institution has brought about an international journal in the name of “International Journal of Research in Applied Sciences (IJRAS)”.
4. Bridge courses are introduced and the HoDs are given the responsibility of preparing the syllabus for bridge courses and they have looked after the proper implementation of these courses.
5. The ground floor of the Central Mess was decided to be modified into a canteen. Two refreshment centers are decided to be make, one at South Block and another near the girls’ hostel.
6. All the NBA accredited HoDs are directed to check the documentation work in their respective departments as per NBA guidelines on a weekly basis, so as to avoid last minute hurry and they will report to the Dean Academics on a monthly basis of the progress.
7. Seminars and workshops are conducted by individual department and students as well as faculty members are encouraged to participate in such activities.
8. An Incubation Centre has been opened in the college and the Dean, Research and Development has arranged 10 innovative projects and applied to the MSME for recognition.
